

GEMPORIA AFTERCARE

JEWELLERY REPAIRS

Exclusive to Gemporia customers and jewellery, we offer a repair service at fantastic value.

We pride ourselves on rewarding your loyalty to us by offering a repair service at a cost better than you will find on the high street, once your warranty has expired.

To keep things simple, for the majority of jewellery we offer a range of fixed price repairs, so you can see exactly what the service involves and importantly what you will pay.

If you believe the repair may be more complex than our listed services, we are happy for our goldsmiths to examine the item and supply you with a no obligation free quotation promptly – you will only incur a small P&P charge of £2.95
